# Requirements and Limits

What you need to use EasySeer, and what it does not promise.

## What you need

| Item | Requirement |
|---|---|
| Computer | Windows 10 or 11, with at least an Intel i3-class processor and 16 GB of memory |
| Claude | A Claude Pro plan or above, on your own account |
| Email | An email address, to sign up and receive your 6-digit code |

## Not available yet

A Mac version is not available.

## Credits and projects

- One credit runs one project.
- Credits never expire.

## Limits

- EasySeer produces a first draft only. You check every claim and own the final paper.
- EasySeer does not promise better results, a similarity score, acceptance or publication.
- Credits are not refundable, except a failed project credit or a double charge.

---

EasySeer is an AI tool. Built to follow academic ethics. No promise of better results, acceptance or publication.
